

C C C C C C

## A large, dense collection of various letters and symbols in different fonts and styles, including bold, outlined, and decorative versions, arranged in a grid-like pattern. The letters are scattered across the page, with some appearing in multiple instances. The styles include simple outlined letters, bold letters, letters with internal patterns, and letters that look like they are made of a different material (like wood or stone). The overall effect is a rich, textured background of typography.
